

Press Release - Toulouse, 19 September 2022

TIKEHAU ACE CAPITAL BRINGS ITS MAJORITY STAKE IN GROUPE ROSSI AERO TO MECACHROME TO DEVELOP ITS ACTIVITY IN THE RAPID MANUFACTURING OF AERONAUTICAL PARTS ON DEMAND

Mecachrome, supported by Tikehau Ace Capital and Bpifrance, announces the transfer of a majority stake in Groupe Rossi Aero, a leading supplier to the aerospace industry specialising in rapid manufacturing.

Mecachrome is a leading French player in the design, machining, sub-assemblies and high precision assemblies for the aerospace, automotive, defence and energy sectors.

Groupe Rossi Aero is a family-owned company specialising in the manufacture of parts and equipment in small and medium series for aircraft and equipment manufacturers, as well as in maintenance, repair and maintenance in operational condition. Groupe Rossi Aero operates three sites in the Toulouse area. Groupe Rossi Aero is recognised for its technicality and performance making it strategic for the sector and particularly for the Airbus assembly lines.

This transaction demonstrates the Mecachrome group's commitment to enriching its offer by integrating multi-technology speed-shop services, which address the urgent production of small and medium-sized series of parts. These services are in high demand by aeronautical OEM in a context of ramp-up in production rates.

Groupe Rossi Aero, as a subsidiary of Mecachrome Group, will keep its operational autonomy. Mathieu Rossi, as President of Groupe Rossi Aero, will also be in charge of Mecachrome's Speedshop Division and will join Mecachrome's Strategic Committee.

Christian Cornille, CEO of Mecachrome, said : « *The transfer of Tikehau Ace Capital's shares in Groupe Rossi Aero to Mecachrome is a clear indication of the group's external growth and diversification strategy. Within Mecachrome, Groupe Rossi Aero becomes our flagship for the Speed-Shop services, a highly strategic segment for our customers.* »

Mathieu Rossi, CEO of Groupe Rossi Aero, added : This transaction with the Mecachrome group allows us to continue our industrial journey. I am pleased to participate in this transaction supported by Tikehau Ace Capital through the Mecachrome group, which recognises the specificity and strategic nature of our activity. »

Marwan Lahoud, Executive Chairman of Tikehau Ace Capital, said : « *We are pleased to participate in the consolidation of the sector and we support the teams of Mecachrome and Groupe Rossi Aero in their joint development. This transaction will enable the new Group to meet the growing needs of its customers while maintaining a high level of service quality.* »

About Mecachrome

The Mecachrome Group is a High Precision Mechanics world leader. For more than 80 years, Mecachrome has been a key player in the design, engineering, machining and assembly of high-precision parts and assemblies for the aerospace, Premium automotive, motor sport, defence and energy industries. Thanks to its industrial expertise and cutting-edge technology, Mecachrome has earned an international reputation as a first-rate integrator for its customers, which includes: Airbus, Boeing, Bombardier, Dassault, Ferrari, Alpine Renault Sport, Safran, Stelia, Spirit, Porsche, Rolls Royce. Mecachrome employs 3500 people worldwide.

About Bpifrance

Bpifrance is the French national investment bank: it finances businesses – at every stage of their development – through loans, guarantees, equity investments and export insurances. Bpifrance also provides extra financial services (training, consultancy) to help entrepreneurs meet their challenges (innovation, export...). Bpifrance also ensures their export activity through a wide range of products. Advice, university, networking and acceleration programmes for start-ups, SMEs and ETIs are also part of the offer to entrepreneurs. Thanks to Bpifrance and its 50 regional offices, entrepreneurs benefit from a close, single and efficient contact to help them face their challenges.
